

# Northern California Classic Pre-Certification Clinics

The Western States Farriers Association is offering two clinics this year. These clinics will be a terrific opportunity for everybody. You will have the chance to practice the competition shoes or work toward your AFA Certification under the guidance of qualified instructors.

**Saturday April 14,2007.** There will be a one day clinic in Petaluma, Cal. located at the shop of Mike Chisham. 40 Wilson Lane, just off Middle Two Rock Rd. RT Goodrich (AFA tester) and Bob Mederos will be there to guide you through the day. You can bring your rig and they will help you with the contest shoes and/or your Certification shoe board. Then, you will have the opportunity to practice the practical portion of the contest and/or AFA Certification. Horses will be available that day for shoeing. You will get to shoe at least one or two feet, depending upon the number of participants. Your shoe job will be judged immediately, according to AFA standards. This way you can see just where you stand, so you can practice what you need to improve upon, in order to be in the money at the NCC or to pass your AFA Certification.

**Saturday April 28-9,2007.** There will be a second clinic in Brentwood, Calif. located at the ranch of Danny Love. 3263 Delta Rd. Bob Mederos and Don Davis (AFA tester) will once again be on hand to offer their services to those who need help. Danny has an indoor arena, so the heat and the weather will not be a problem. This will be your last chance for professional help with your contest shoes and/or Certification requirements before the NCC in May.

All the monies collected from the clinics will be returned to the NCC. This means that every dollar we collect will be paid back as prize money. The more people that show up to these clinics, the more money you can win !!! Steel and some shoes will be provided. Lunch will also be provided. All you need to do is show up. RSVP is greatly appreciated.
